

15 Play Prompts

Screen-free games to play with the sound book - 5 minutes a day is plenty

1. I Spy

Open any page. Say 'I spy something that is red.' Your child finds and touches it.

2. Sound Detective

Touch a word, mute the book, and ask: 'What did it say?' Let them repeat it.

3. Shopping Game

Open the food page. Give your child a 'shopping list' of 3 things to find.

4. Zoo Keeper

On the animals page, ask them to find every animal that lives in water.

5. Fast Fingers

Call out a word. Whoever touches it first wins a point. First to 5 wins.

6. Story Starter

Pick any 3 pictures on a page and make up a tiny story together using all 3.

7. Copy Cat

Touch a word, then say it together in a silly voice, a whisper, and a loud voice.

8. Find the Family

Ask: 'Can you find the baby animal and its mommy or daddy on this page?'

9. Color Hunt

Say a color. Your child touches every picture on the page with that color.

10. Count It

'How many wheels are on this page?' Touch each one while counting out loud.

11. Opposite Day

Find pairs: big/small, up/down, day/night across different pages.

12. Teacher Time

Let your child be the teacher and 'test' you. Get some wrong on purpose!

13. Before Bed Review

Each night, touch 3 words your child learned that day. Quick and cozy.

14. Road Trip

On the vehicles page, ask where each vehicle goes and who drives it.

15. New Word Friday

Once a week, open a brand-new theme and explore it together.
